New York 21, N.Y.

Dear Bernie:

Thank you for your kind letter of the 28th. I am glad to note you are still in New York — when is your unit supposed to move, or has this been superseded?

Esther and I are looking forward to seeing you here in January. We hope you will make it a point to stay with us, as we have ample room in the house we are now renting.

Sincerely,

Joshua Lederberg
